

ORANGE RIVER – 1-DAY TRIP ITINERARY

ARRIVAL DAY:

Arrive at our base camp, just across the Namibian border. Our camp manager will be there to welcome you. You may want to take a refreshing swim or play a game of volleyball after your day of travelling.

Supper is served at 7pm. We start getting to know each other around the campfire after which we retire for the evening to rest out for the day of fun ahead.

DAY 1:

After an early breakfast, your guide will give you a safety talk and equipment demonstration. Here they will teach and show you how to paddle, what to do if you capsize and how to be safe when in a rapid. Before you go onto the river, you can fill your cooler box with ice. We transport you to the put in point where you will start your full day rafting adventure. You will spend most of the morning drifting and getting the hang of paddling! You will break for lunch on the banks of the river. We continue downstream until we reach the base camp, your end point. Now it's time to kick back and relax or take a refreshing swim. While you enjoy a few sundowners the guides will prepare supper. You overnight with us in the camp.
